newly promoted rotherfield park put themselves into bat on a good dry track and set about the rowledge bowlers - Pow and Whittell did their best to keep the runs down but on a quick outfield boundaries kept the run rate high - Whittell caught bowled Callow(5) and had Yunes(4) plumb in front. Martin and Bruno replaced the tiring opening pair and both took wickets though Rotherfield set about smashing Bruno all over the park he took 4 wickets and with Martin taking 2 wickets with his exceptional inswingers brought the run rate down. Young Off-spinner Cliffe got in on the act taking the last 2 wickets setting Rowledge a very gettable 187

Reeves & Pow opened and both looked assured at the crease until Reeves was bowled off his legs. Blythe came in and crashed 5 boundaries from his first nine scoring shots, he and Pow put on 78 before Blythe was caught for 35. Pow went on to get 61 before getting stumped which left the experienced Tanner to get a quickfire 48 not-out and see a 7 wicket win for rowledge with 9 overs to spare
