

Safe Hands Guidelines

RCC are a Clubmark Club and we adhere to the 'Safe Hands' Policy for Safeguarding Children in Cricket. The emphasis throughout our Club is to develop and maintain an environment where children and young peoples' views are sought, heard and acted upon. This will not only help keep young people in the game as they get older, but contribute to a safer environment. By responding to concerns promptly, we aim to make sure children who need help receive it as soon as possible.

RCC's Key Documents File includes RCC's Policies, Procedures, Guidance, Codes of Conduct, Regulations, Directives etc. which are based on the ECB 'Safe Hands' publication. Where no specific guidance is available in RCC's Key Documents File the safeguarding principles of Safe Hands will be followed. Full information on these and RCC's safeguarding principles is available through the following links.
